

The Dynamic Copyright Script

```
// Add A Dynamic Year In Divi Footer Copyright
var beg_year = 2018; // Year site went live
var this_year = new Date(); // Get current date
var copyright_text = ' Blue Diamond Webs | All Rights Reserved ';
var developed_by = '| Made with WordPress/Divi by <a href="https://bluediamondwebs.com"
target="_blank">Blue Diamond Webs</a>'; // Developer info

this_year = this_year.getFullYear();
if(this_year > beg_year) {
var year = beg_year + ' - ' + this_year;
} else {
var year = this_year;
}
jQuery(function($){
$('#footer-info').html('© ' + year + ' ' + copyright_text + ' ' + developed_by );
});
</script>
